

MICHIGAN STATE
UNIVERSITY
College of Natural Science

MAJORS IN THE COLLEGE OF NATURAL SCIENCE

Actuarial Science - BS
Astrophysics - BS
Biochemistry & Molecular Biology/Biotechnology - BS
Biochemistry and Molecular Biology - BS
Biological Science - BS (Interdepartmental: teaching majors only)
Biomedical Laboratory Science - BS
Chemical Physics - BS
Chemistry - BS and BA
Computational Chemistry – BS
Clinical Laboratory Science - BS
Computational Mathematics - BS and BA
Diagnostic Molecular Science - BS
Earth Science - BS (Interdepartmental: teaching majors only)
Environmental Biology/Microbiology - BS
Environmental Biology/Plant Biology - BS
Environmental Biology/Zoology - BS
Environmental Geosciences - BS
Genomics and Molecular Genetics - BS
Geological Sciences - BS
Human Biology - BS
Mathematics - BS and BA
Mathematics, Advanced - BS and BA
Microbiology - BS
Neuroscience - BS
Physical Science - BS (Interdepartmental: teaching majors only)
Physics - BS and BA
Physiology - BS
Plant Biology - BS
Statistics - BS and BA
Zoology - BS and BA
